Dear Douglass:

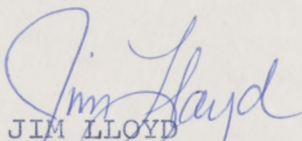

Thanks so much for your very thoughtful letter regarding the energy crisis. With this uppermost in my mind, I spoke before the House on February 4 stating my positions and possible solutions to the many problems facing our nation today. You'll find a copy of my speech enclosed. I trust you'll find it both informative and worth supporting. I urge your comments and any suggestions you may have to offer.

I've been meaning to thank you for your hard, dedicated work towards my election to this office and thought this might be the appropriate time to do so. Believe me, I really appreciate it. Every little bit helped and you did more than your share.

As your new Congressman, I'm glad you've taken the time to share your thoughts. The feelings of my constituents are of the greatest importance to me and are helpful in fulfilling my duties to you. I hope you'll write me again on other Federal issues that are important to you.

With best wishes, I remain

Sincerely yours,

JIM LLOYD
Member of Congress
